2. The Developer covenants and agrees to convey all of its rights, title, and interest in the Common Areas (other than any recreational facilities, the conveyance of which is addressed in the Falcon Ridge Homes Association Declaration) to the Homes Association without any cost to the Homes Association not later than one month after the Developer has recorded the Certificate.

3. 2. The Architectural Committee shall meet at least once each calendar month to consider applications with respect to any Exterior Structures that require the approval of the Architectural Committee as provided in Article VIII above. Any application that is not acted upon by the Architectural Committee within 45 days of the date on which it is filed shall be deemed to have been approved. A majority of the members of the Architectural Committee shall constitute a quorum for the transaction of business at a meeting, and every act or decision made by a majority of the members present at a meeting at which a quorum is present shall be regarded as the act or decision of the Architectural Committee.

3. At each meeting, the Architectural Committee shall consider and act upon applications that have been submitted to it for approval with respect to Exterior Structures. In making its decisions, the Architectural Committee may consider any and all aspects and factors that the committee members, in their absolute discretion, determine to be appropriate to establish and maintain the quality, character, and aesthetics of the surrounding neighborhood, including, without limitation, the plans, specifications, exterior colors, material, location, elevation, landscaping, and use of the proposed Exterior Structure. All decisions of the Architectural Committee shall be in writing and delivered to the applicant who shall be responsible for keeping the same. The Architectural Committee may establish in advance and change from time to time certain guidelines and conditions that it intends to follow in making its decisions.

4. Any applicant who is dissatisfied with the decision of the Architectural Committee shall have the right to appeal such decision to the Board, provided such appeal is filed in writing with a member of the Board within 15 days of the date the Architectural Committee renders its decision. Any decision rendered by the Board on appeal shall be final and conclusively binding on the applicant.

5. Neither the Architecture Committee nor its individual members make any warranties by their approval of any plans. The role of the Committee and its members is to verify that the plans meet the specification and aesthetic requirements of these Restrictions. The approval of plans is not an opinion or warranty of the structural integrity, quality, or value of the proposed residence.

**ARTICLE XV. NO LIABILITY FOR
APPROVAL OR DISAPPROVAL**

Neither the Developer nor the Homes Association nor any member of the Architectural Committee nor the Board shall be personally liable to any person for any discretionary approval, disapproval, or failure to approve any matter submitted for approval, for the adoption of any rules, regulations, or guidelines, or for the enforcement of or failure to enforce any of the restrictions contained in this Declaration.

Each such person shall be deemed to have recognized, known, and accepted all of the potential (whether foreseeable or not) damages, risks, hazards, and consequences generally or specially inherent in the preparation of a golf course, in the game of golf, in the nature of golf course premises, and in residing or locating on, adjacent to, or near a golf course, including, without limitation, flying golf balls and other objects; holes, depressions, and hazards; large numbers and continuous flow of players and spectators; hours of play; proximities of greens, tees, fairways, and other features to residences, yards, and streets; inconvenience; lakes, creeks, and other waterways; golf carts; water sprinklers and distribution facilities; and the intensive use of pesticides, herbicides, fertilizers, and other chemicals and the health hazards related thereto (including allergy susceptibilities). **ARTICLE XVII. COVENANTS RUNNING
WITH THE LAND; ENFORCEMENT**

The agreements, restrictions, and reservations herein set forth are and shall be covenants running with the land into whosoever hands any of the property in the District shall come. The Developer, its successors and assigns, and grantees and all parties claiming by, through, or under them shall conform to and observe such agreements, restrictions, and reservations; provided, however, that no person shall be obligated to enforce any such agreements, restrictions, and reservations. No agreement, restriction, or reservation herein set forth shall be personally binding upon any Owner except with respect to breaches thereof committed during its or his seizing of title to such Lots; provided, however, that the immediate grantee from the builder of the residence on a Lot shall be personally responsible for breaches committed during such builder's ownership of such Lot.

The Developer, its successors and assigns, and all other Owners of any of the Lots and Homes Association shall have the right (but not the obligation) to sue for and obtain an injunction, prohibitive or mandatory, to prevent the breach of or to enforce the observance of the agreements, restrictions, and reservations herein set forth in addition to any action at law for damages. The failure to enforce any of the agreements, restrictions, or reservations herein set forth at the time of its violation shall in no event be deemed to be a waiver of the right to do so thereafter.

ARTICLE XVIII. ASSIGNMENT OF DEVELOPMENT RIGHTS

The Developer shall have the right to assign and set over to any person(s) or entity all or any part of the rights, benefits, powers, reservations, privileges, duties, and responsibilities herein reserved by or granted to the Developer; and upon such assignment, the assignee shall then for all purposes be the Developer hereunder with respect to the assigned rights, benefits, powers, reservations, privileges, duties, and responsibilities. Such assignee and its successors and assigns shall have the right and authority to further assign, convey, transfer, and set over the rights, benefits, powers, reservations, privileges, duties, and responsibilities hereunder.

ARTICLE XIX. RELEASE OR MODIFICATION OF RESTRICTIONS

The provisions of this Declaration shall remain in full force and effect until July 1, 2020, and shall automatically be continued thereafter for successive periods of five years each;

provided, however, that the then Owners of a majority of the Lots may release the District, or any part thereof, from all or part of such provisions as of July 1, 2020, or at the expiration of any extension period, by executing (in one or more counterparts), acknowledging, and recording an appropriate agreement in writing for such purpose at least one year prior to the original expiration date or to a subsequent expiration date, whichever is applicable. The provisions of this Declaration may be amended, modified, or terminated, in whole or in part, at any time by a duly acknowledged and recorded written agreement (in one or more counterparts) signed by both the Owners (excluding therein the Developer if it is then an Owner) of a majority of the Lots (excluding those owned by the Developer) and the Developer or its successors and assigns.

ARTICLE XX. EXTENSION OF DISTRICT

The Developer shall have, and expressly reserves, the right, from time to time, to add to the existing District and to the operation of the provisions of this Declaration such other adjacent (without reference to the Golf Course Property and streets) lands as it may now own or hereafter acquire by executing, acknowledging, and recording an appropriate written declaration or agreement subjecting such land to all of the provisions hereof as though such land had been originally described herein and subjected to the provisions hereof; provided, however, that such declaration or agreement may contain such deletions, additions, and modifications of the provisions of this Declaration applicable solely to such additional property as may be necessary or desirable as solely determined by the Developer in good faith.

ARTICLE XXI. SEVERABILITY

Invalidation of any of the provisions set forth herein, or any part thereof, by an order, judgment, or decree of any court, or otherwise, shall not invalidate or affect any of the other provisions, or any part thereof, but they shall remain in full force and effect.
